	MC-407E	Mold Release Flyer - Chalkboards 2017 (digital)
	MC-410E	Mold Release Flyer - Garden 2017 (digital)

Mayco's Earthenware Casting Slip is a high-quality casting clay made from a well-balanced formula for plasticity, minimum shrinkage, reliable greenware strength, and easy casting ability. The unfired color is a light grey; fired, the bisque is pure white. The most used firing range is cone 06 to cone 03. Shrinkage: 9.5 ± 1.0% @ C/04. Absorption: 12 ± 1% @ C/04. Mayco's Stoneware Casting Slip is generally buff in color and vitreous at cone 6. Suitable for use in microwaves and dishwashers, pieces that are meant for long-term use are cast with stoneware slip because of its strong durability. Shrinkage: 14.5% ± 1% @ C/6. Absorption: <1.5% @ C/6

The two slips are regularly tested using Mayco and competitor's glazes for fit and performance; no shivering or crazing has been observed. Glazes designed to produce crackle patterns do so flawlessly. Mayco's Earthenware and Stoneware Casting Slips are AP certified and conform to ASTM-D4236. Slip is packaged in 2-gallon plastic bags, 2 gallons per box. Contact your Mayco Distributor for volume pricing.
